PROFILE

IT undergraduate with 6 months of hands-on internship experience in full-stack development using React.js, Node.js, and Spring Boot. *Delivered 5+ end-to-end projects across web and mobile platforms, including an enterprise internship management system and a cross-platform job search app.* Passionate about building clean, scalable, user-centric software and eager to contribute to collaborative engineering teams.

PROFESSIONAL EXPERIENCE

Software Engineer Intern, *Gamage Recruiters (Pvt) Ltd* 03/2026 – 09/2026
Panadura, Sri Lanka

- Built and maintained 3+ React.js frontend modules, improving UI consistency and reducing reported frontend bugs across the internship period.
- Developed RESTful API endpoints with Node.js and Spring Boot, enabling new application features that directly improved user workflows.
- Contributed across the full software development lifecycle — from requirements gathering to deployment — following Agile practices and peer code reviews.
- Participated in testing and debugging sessions, helping improve application stability and reduce open defect counts.
- Gained production experience in Git/GitHub branching strategies, professional code standards, and collaborative software engineering.

EDUCATION

BSc (Hons) in Information & Communication Technology, *University of Jaffna* 2023 – Present
Currently enrolled, Final Year Undergraduate Vavuniya Campus

G.C.E. Advanced Level — Physical Science Stream, 2020
Gamini Dissanayake National School Kothmale

PROJECTS

Internship Management System, *Full-Stack Web Application* 2026

Technologies: Java, Spring Boot, React, Tailwind CSS, MongoDB, JWT, Recharts

- Developed a full-stack internship management platform to streamline project assignments, task tracking, leave requests, and intern performance monitoring.
- Implemented role-based authentication and authorization using JWT for supervisors and interns.
- Built a Kanban-style task management workflow with progress tracking, deliverable submissions, and supervisor feedback.

CleanPro – Cleaning Service Management System, *Full-Stack Web Application* 2026

Technologies: MongoDB, Express.js, React, Node.js, Vite

- Developed a full-stack MERN web application for a premium cleaning service, integrating customer booking functionality with service management.
- Built a responsive React interface to enable users to explore cleaning services and submit booking requests.
- Implemented a centralized admin dashboard to manage services, bookings, users, and customer reviews.
- Developed RESTful APIs using Node.js and Express.js with MongoDB for data storage and management.

Personal Portfolio, *Developer Showcase Website* 2026

HTML5, CSS3, JavaScript, Netlify

- Designed and deployed a responsive portfolio site on Netlify, creating a publicly accessible platform to showcase projects and attract professional opportunities.

Smart Job Finder, *Cross-Platform Job Search App* 2025

React Native, Node.js, MySQL

- Delivered a cross-platform mobile app with search, filtering, pagination, authentication, favourites, job applications, and CV upload — a complete job-seeker workflow.
- Designed a relational MySQL schema supporting user profiles, saved listings, and application records.

Movie Finder, *Movie Discovery Web App* 2025

React.js, JavaScript, TMDB API, CSS3

- Integrated the TMDB API to enable real-time search across 500,000+ movie records, surfacing titles, ratings, and poster images dynamically.
- Implemented a fully responsive layout ensuring consistent experience on desktop and mobile viewports.

TECHNICAL SKILLS

Languages
Python, JavaScript, Java, C, C++

Frontend
React.js, Next.js, HTML5, CSS3

Backend
Node.js, Express.js, Spring Boot

Mobile
React Native

Databases
MySQL, MongoDB

Tools
Git, GitHub, Figma, Adobe XD

CERTIFICATIONS

Data Structures & Algorithms in Python
Simplilearn · 2026

Python for Beginners
University of Moratuwa · 2025

PHP and MySQL
Udemy · 2025

JavaScript for Beginners
Udemy · 2025

EXTRACURRICULAR & ACHIEVEMENTS

- Vice President, Sports Council — University of Vavuniya (2025)
- University Colors in Cricket — University of Vavuniya (2024)
- Participant, ICT Expo 3.0 — Organized by UOV (2025)
- Participant, SLUG (Student Linux Users Group) (2025)

SOFT SKILLS

- Team Collaboration
- Leadership
- Time Management
- Problem-Solving
- Adaptability
